CONGRESS OF
EUROPEAN SOCIETY
OF VASCULAR MEDICINE

BERGAMO

3/5 APRIL • 2025

Centro Congressi Giovanni XXIII

Welcome!

It is with great pleasure that we extend a warm welcome to all vascular physicians for the upcoming 2025 Congress of the European Society for Vascular Medicine (ESVM). This distinguished event promises to be a remarkable gathering of minds in the field of vascular medicine.

ESVM2025 aims to provide a platform for the exchange of cutting-edge insights and discoveries in vascular medicine, offering a unique opportunity to delve into the latest advancements and trends. Renowned experts in the field will share their knowledge and expertise through captivating talks, fostering an environment of intellectual stimulation and professional growth.

In the heart of Bergamo, surrounded by its rich history and picturesque landscapes, we encourage you to join us for an experience that goes beyond the academic setting. In addition to the scientific program, this congress serves as a celebration of the importance of collaboration. We believe that by coming together, we can create a dedicated community of experts who are passionate about advancing the frontiers of vascular care.

Moreover, we understand the significance of nurturing the next generation of angiologists/vascular physicians/scientists. To this end, ESVM2025 places a special emphasis on networking opportunities for young professionals. Engaging with established experts, sharing experiences, and building connections can be pivotal for the growth and development of our emerging talents in the field.

In the spirit of shared knowledge, collaborative spirit, and professional camaraderie, we invite you to join us in Bergamo for an unforgettable congress. Let us come together to explore, learn, and forge lasting connections that will contribute to the advancement of vascular medicine.

We look forward to your participation in this momentous event.

Tristan Mirault
ESVM Congress Chair

Deborah Karetova
ESVM Congress Co-chair

Lucia Mazzolai
ESVM President

SCIENTIFIC COMMITTEE

Jill Belch, UK;

Vinko Boc, Slovenia;

Marianne Brodmann, Austria;

Giacomo Buso, Italy;

Christine Espinola Klein, Germany;

Christian Heiss, UK;

Juraj Madaric, Slovakia;

Lucia Mazzolai, Switzerland;

Tristan Mirault, France;

Elena Osto, Austria;

Adriana Visonà, Italy;

CONGRESS OVERVIEW

THURSDAY

| TIME | Room X Plenary | Room Y | Room Z |
|-------------|---|---|----------------------------------|
| 8,30-9,30 | WS Deep venous intervention | WS arterial intervention | |
| 9,30-10,30 | WS Deep venous intervention | WS arterial intervention | ESVM board meeting |
| 10,30-11,30 | WS Deep venous intervention | WS arterial intervention | ESVM National Presidents meeting |
| 11,30-12,30 | Clinical cases: PAD and carotid | Short practical WS | Short practical WS |
| 13,00-14,15 | ESC/ESVM 2024 PAAD guidelines: what's new ? | | |
| 14,15-15,15 | Oral communications 1 (arteries) | Oral communications 2 (veins) | |
| 15,15-15,45 | Coffee break and e-poster viewing in exposition area | | |
| 15,45-16,35 | Debate: Asymptomatic carotid artery stenosis: revascularization for all ? | Debate: in 2025, do we still need anticoagulation clinics ? | |
| 16,35-17,15 | Congress opening and keynote lecture 1 | | |
| 17,15-18,15 | ESVM general assembly | | |

FRIDAY

| TIME | Room X plenary | Room Y | Room Z |
|--------------------|---|--|-----------------------------|
| 8,30-9,15 | Meet the experts session | | |
| 9,15-10,15 | Oral communications 3 (CV prevention, risk factors, atherosclerosis) | Oral communications 4 (CLTI, venous intervention) | |
| 10,15-10,45 | Coffee break and e-poster viewing in exposition area | | |
| 10,45-11,45 | Cardiovascular risk factors in the vascular patient what's new in 2025? | Arterial and deep venous revascularization, where do we stand in 2025? | |
| 11,45-12,30 | Pipeline session | | |
| 13,00-14,00 | Lunch break | | |
| 14,00-15,00 | Flash e-poster presentation | Flash e-poster presentation | Flash e-poster presentation |
| 15,00-16,00 | PAD: beyond the classics | VTE: beyond the classics | |
| 16,00-16,30 | Coffee break and e-poster viewing in exposition area | | |
| 16,30-17,15 | Debate: renal artery stenosis, denervation is the solution ? | Debate: high risk PE, endovascular treatment for all? | |
| 17,15-17,35 | Keynote lecture 2 | | |
| 18,30 | Pre-dinner event with the young angiologists | | |
| 20,00 | Dinner | | |

SATURDAY

| TIME | X | Y | Z |
|--------------------|--|--|----------|
| 07,00-07,45 | ESVM morning run | | |
| 08,30-09,30 | Oral communications 5 (aorta and arterial interventions) | Oral communications 6 (lymphedema, lipedema, vascular anomalies) | |
| 9,30- 10.00 | Coffee break in exposition area | | |
| 10,00-11,15 | Aorta diseases | Lymphatics and vascular anomalies | |
| 11.15-11,45 | Keynote lecture 3 | | |
| 11,45-12,15 | Prizes and congress closure | | |

DETAILED PROGRAM

Thursday

08:30-11:30 Workshops #1-3: Deep venous interventions

08:30-11:30 Workshops #4-6: arterial intervention

11:30-12:30 Clinical cases on PAD and carotids *Chairs:*

- Clinical case 1 (young angiologist to present) and discussion
- Clinical case 2 (young angiologist to present) and discussion
- Clinical case 3 (young angiologist to present) and discussion

CONGRESS START

13:00-14:15 Plenary session in collaboration with the ESC WGA&PVD

ESC/ESVM 2024 Guidelines : What's Changing in Everyday Practice? *Chairs:*

- What's New? Practical Updates for Clinicians
- Effective Interventions for Claudication and CLTI Patients
- Polyvascular Disease: A Key Concept for Holistic Patient Management
- Aortic Disease: Best Practices and New Treatment Options

14:15-15:15 (Parallel sessions)

Oral communications : PAD, carotids *Chairs :*

14:15-15:15 (Parallel sessions)

Oral communications : VTE *Chairs:*

15 :15-15 :45 Coffee break

15:45-16:35 (Parallel session)

Debate: Asymptomatic carotid artery revascularization for all? *Chairs:*

- Pro :
- Contra :
- Discussion

15:45-16:35 (Parallel session) *Chairs:*

Debate: Do we still need anticoagulation clinics in 2025?

- Pro :
- Contra :
- Discussion

16:35-17:15

Congress opening and Keynote Lecture 1

Peripheral artery disease: a global need for detection, prevention, and treatment:

Friday

8:30-9:15 (Plenary session)

Meet the experts

9:15-10:15 (parallel session)

Oral communications : CV prevention and CVRF Chairs:

9:15-10 :15 (parallel session)

Oral communications : CLTI, venous interventions Chairs:

10:15-10:45 Coffee break

10:45-11:45 (Parallel session)

Cardiovascular risk factors in the vascular patient what's new in 2025? Chairs:

- Air Pollution and vascular Health: How to Address a Global Challenge
- Lp(a) and ApoB in peripheral artery disease, ignore at our peril?
- GLP1-RA: a new vascular drug ?
- What is new in hypertension management in 2025 ?

10:45-11:45 (Parallel session)

Arterial and venous revascularization : The Latest Advances and What Lies Ahead Chairs:

- Next-Generation Arterial Stents: What's New in Design and Materials?
- Cutting-Edge Endovascular Solutions for PAD: What's Changing in Practice
- Advances in Deep Venous Revascularization: Emerging Techniques and Best Practices
- Antithrombotic Strategies Post-Revascularization: Optimizing Patient Outcomes

11:45-12:30 Pipeline session (Plenary session)

What are the drugs and devices in the pipeline for vascular disease? (5 min presentation)

Chairs:

- Pharm company 1
- Pharm company 2
- Pharm company 3
- Pharm company 4
- Pharm company 5
- Pharm company 6
- Pharm company 7
- Pharm company 8

12:30-13:30 Lunch break

13:30-14:15 Flash ePoster presentation (3 parallel sessions) *Chairs:*

14:15-15:15 PAD: beyond the classics (parallel session) *Chairs:*

- CLTI: Rethinking Diagnosis for Better Outcomes
- Health disparities in PAD
- Small Vessels, Big Impact: Unraveling the Mysteries of Vasculitis
- Gut Microbiota and Cardiovascular Diseases: A New Player in Patient Management?

14:15-15:15 VTE: beyond the classics (parallel session) *Chairs:*

- Anticoagulation Updates: What's New and Effective?
- Can AI and Radiomics Enhance Risk Stratification in Pulmonary Embolism?
- Superficial Vein Thrombosis: Beyond the Surface—Insights into Diagnosis and Management
- Thrombophilia Screening: Do We Still Need It, and What Should We Focus On?

15:15-15:45 coffee break

15:45-16:30 (parallel session)

Controversies in vascular medicine: debate *Chairs:*

Renal artery stenosis: to stent or not to stent ?

- Pro
- Contra
- Discussion

15:45-16:30 (parallel session)

Controversies in vascular medicine: debate (parallel session) *Chairs:*

High-risk PE: endovascular treatment for all?

- Pro
- Contra
- Discussion

16:30-17:00 Keynote lecture 2 *Chair:*

- Looking at the patient beyond the blood clot

18 :30 : Pre dinner event with the young angiologists *Chairs:*

- Navigating Vascular Health through Nutrition and exercise

20:00 Dinner

Saturday

7:00 ESVM morning run

8:30-9:30

Oral communications (parallel session) Chairs:
The Aorta

8:30-9:30 Oral communications (parallel session) Chairs:
Lymphatics, lipedema, vascular anomalies

9:30-10:00 coffee break

10:00-11:00 Parallel session in collaboration with the ESC WGA&PVD
Understanding Aortic Diseases: An Overview Chairs:

- Aortic Measurement: Best Practices and Techniques
- AAA: When and How Should We Intervene?
- Genetics in Aortic Diseases: Exploring the Depths of Knowledge
- Pathways to Aortic Dilation: Insights into the Development of Aortic Aneurysms

10:00-11:00 (Parallel session)

Lymphatics and vascular anomalies current insights Chairs:

- Vascular Anomalies: When Is Pharmacological Intervention Effective?
- Primary Lymphedema: Understanding the Condition
- Microsurgery for Lymphedema: Is Early Intervention Key?
- Lymphatics and Cardiovascular Diseases: What's New in 2025?

11:00-11:30 Keynote lecture 3 Chair:

- Lipid-lowering: state of the art and innovation :

11:30-12:00 Prizes:

Congress closure

INFORMATION

REGISTRATION FEES (VAT included)

| | EARLY BIRD until February 15th | REGULAR FEES until March 31st | ONSITE REGISTRATION |
|-------------------------|-----------------------------------|----------------------------------|---------------------|
| MEMBER* | € 430,00 | € 490,00 | € 550,00 |
| NON-MEMBER | € 550,00 | € 610,00 | € 660,00 |
| TRAINEE** | € 385,00 | € 445,00 | € 505,00 |
| MEDICAL STUDENT | € 200,00 | € 250,00 | € 300,00 |
| Nurses/physiotherapists | € 385,00 | € 445,00 | € 505,00 |

*Member is a person who is a member of one of the ESVM National Societies

Please send a copy of your Membership Card (or any other confirmation)

**A letter from the head of angiology training institution or student certificate must be provided

Please send the certificate to: sonia.ruggeri@gccongressi.it

Registration fee includes:

- Congress kit and certificate of attendance
- Coffee breaks
- Lunch Friday

Congress Dinner

Social dinner will be held on Friday– 8pm. Registration: 90 €
